VIRTUAL CHILDREN'S PROGRAMMING

SUMMER READING PROGRAMMING ON READSQUARED

PERSONAL CARE DRIVE

FREE DIGITAL LIBRARY MATERIAL

VIRTUAL CHILDREN'S PROGRAMMING

Although we are currently closed, Miss Erin, has been recording storytimes on our You Tube channel from her home. Don't miss her fun interactive storytime recordings. Listen as a family! Subscribe and get an update of anything new. Even though we are still at home, stay involved with the library virtually!

SUMMER READING PROGRAMMING ON READSQUARED

Summer Reading will look very different this year and will be offered virtually. Summer Reading sign-ups begin June 1st. We have three different programs for different age groups. Even the adults can participate this year! Follow the link from our website and Facebook to connect to READSquared to register for summer reading on or after June 1st. There is also a free app you can download to your smartphone or tablet. You will log your own reading time to earn points and be sure to checkout the missions for extra points. You can redeem your points for raffle tickets for the Grand Prize raffle. Follow us on Facebook for the latest updates.

PERSONAL CARE DRIVE

This summer we are organizing a personal care drive to benefit those in need in our community. We have incorporated the personal care drive into summer reading ... a donation will earn you extra points that you can use to redeem for raffle tickets for the Grand Prize raffle. Personal items for healthy living and keeping germ free are needed. Such as; toothpaste, toothbrushes, body soap, shampoo and conditioner, laundry soap, hand soap, sanitizer, deodorant, dish soap, etc. Anything you can think of for household cleanliness and good personal hygiene. Donation will be given to the Saranac Community Church for the community pantry. If you are a neighbor in need please contact the church for assistance to the pantry. If you donate and are participating in summer reading be sure to follow the code at the drop off location in either library to earn your READSquared points!

BEST SELLERS

If you are worried about missing your favorite new release best seller, don't be! We are still ordering new books and will be processing them as fast as possible. Although material may be back logged for a short time, it will be ready for you to checkout curbside in the 2nd phase of opening. Watch our Facebook site for all updated information and how to request material during Phase 2.

FREE DIGITAL LIBRARY MATERIAL

The library has several digital platforms that you can access for free library material that includes books, audiobooks, magazines, graphic novels, tv shows and movies.

See the library website for links and tutorials for Overdrive/Libby, Hoopla, Freeding and RB Digital.
